

# After-School Program at Jane Long Elementary

## AFTER SCHOOL CARE

In **YMCA After-School Care**, kids engage in physical, learning and imaginative activities that encourage them to explore who they are and what they can achieve. In addition to supplementing what they have learned in school, they participate in interactive learning models that engage critical thinking skills, are provided 30 minutes each day to work on their homework from trained YMCA staff, have a chance to socialize with each other and form long-lasting friendships that enhance their development, growth and self-confidence. School age kids also have the opportunity to participate in STEAM activities (science, technology, engineering, math, art) a variety of literacy activities and HEPA activities (healthy eating, physical activities).

- Grades K - 6
- Monday-Friday on regular school days
- After School Care
- Early Release Days
- A safe place to learn, have fun and get active

YMCA After-School Care programs are licensed by the Texas Department of Protective and Regulatory Services, Child Care Licensing Division.
