

STUDENT \_\_\_\_\_ GRADE \_\_\_\_\_

September 11, 2013

Dear Parents of \_\_\_\_\_,

We have started a new program at Cora Thomas Elementary called 'Morning Math' for grades 3-5. Your child was chosen to be a part of the tutoring group for Morning Math based on last year's STAAR test scores. The children in the tutoring group go to a teacher for extra help with the Morning Math worksheet.

Tutoring is from 7-8 a.m. every day. In order for your child to receive the extra help he/she needs, it is important to **arrive at school no later than 7:15 a.m.** Our bus riders get here around 7:00 a.m. Tutorial students who eat breakfast at school have been given a 'Fast Pass' which allows them to cut in the front of the breakfast line. All students in grades 3-5 who are unable to complete the Morning Math sheet will have the opportunity to complete the work during recess.

We know you want your child to be successful and appreciate your cooperation with getting him/her to school by the suggested time.

Please circle your responses below, sign, and return this letter to school tomorrow, Thursday, September 12, 2013.

Thank you.

Sharon Roberson  
Math Facilitator

Vicki Stevenson  
Principal

Jill Halligan  
Assistant Principal

**Please circle the correct response for your child:**

1. My child comes to school by **BUS** or **CAR**.
2. My child eats breakfast at **HOME** or at **SCHOOL**.
