My child(ren) and I permanently live at the following address:

Street Address:
City, State, Zip:

This address is owned or leased by the following permanent resident of Lamar CISD who will file an Affidavit of Residence with this request:

Name of LCISD Resident:

I understand that a permanent residence is defined as student's fixed, permanent, and principal housing for legal purposes -- 24 hours per day / 7 days per week. This does not mean that the student stays in the District or an attendance zone for only a portion of the week or only on school days -- unless this arrangement is specified in a divorce decree or other court order. **District peace officers or other personnel may verify my residence.** The parent/guardian/adult student should contact the LCISD Athletic Department to determine if my residence qualifies as meeting the qualifications for high school varsity UIL athletic purposes.

It is my understanding that, since the above address is in someone's name other than mine, that the owner / renter of the Lamar CISD property will need to submit a complete and notarized **Affidavit of Residence** with this document for the request to be considered.

I have read the statements above and understand that falsification of this document is considered a criminal offense and that if I knowingly falsify information on this form, I may be held liable for tuition or costs and could possibly face criminal charges. In addition to these penalties, my child(ren's) enrollment will be revoked and **my child(ren) may be declared ineligible for UIL athletics** if the above address is found not to be the student's permanent residence. I understand that this request will expire at the end of the current school year and must be renewed annually.
