Student Laptop Checkout During Modified

Business Operations

We understand that not every family has access to the internet or a smart device. Lamar CISD is prepared to work with families that need additional support. Beginning Friday, March 27, each campus has plans in place to have students check out laptops to ensure all students have access to technology to engage in remote learning. For questions, please [contact your campus principal](#).

Free Internet Access for Families

The Texas Education Agency has shared information on free and/or reduced cost internet access for families in response to COVID-19. Lamar CISD is providing this information as a community resource and does not endorse any corporate provider.
