STUDENT TRANSFER GRADES

REGULATION
EIC

TRANSFER OF GRADES

When a student moves from one teacher to another during a grading period, the student's averages in the class will be transferred to the new teacher's grade book. The major grade average will be placed in the gradebook for every major grade assigned in the new teacher's gradebook. The minor grade average will be placed in the gradebook for every minor grade assigned in the new teacher's gradebook.
